Information letter №1

DEAR COLLEAGUES!

We would like to invite you to take part in the International Congress
**“INTERDISCIPLINARY ASPECTS OF CARDIAC
REHABILITATION”,**

which will be held in Kemerovo from Thursday, 6 to Friday, 7 October 2022
The International Congress is conducted within the framework of events dedicated to the memory of Academician of the Russian Academy of Sciences E.I. Chazov

CONGRESS TOPICS:

- Organizational, methodological and regional aspects of cardiac rehabilitation;
- Early cardiac rehabilitation of urgent patients;
- Resuscitation of patients with multiple organ failure;
- Cardiac rehabilitation in older patients with cardiovascular diseases;
- Cardiac rehabilitation in children with congenital heart defects;
- Cardiac rehabilitation after ACS;
- Cardiac rehabilitation after stroke;
- Cardiac rehabilitation after COVID-19;
- The role of remote technologies and artificial intelligence in the development of modern cardiac rehabilitation programs;
- Challenges of neurocognitive and psychosocial rehabilitation;
- The role of nursing staff in cardiac rehabilitation.

GENERAL INFORMATION

Honorary Chairpersons:

David Aronov - Honored Scientist of the Russian Federation, PhD, Professor, member of the International Council of Cardiovascular Rehabilitation and Secondary Prevention within the World Federation of Cardiologists, President of the Russian Society of Cardio-somatic Rehabilitation and Secondary Prevention, Chairman of the Board of Russian Society of Cardiology (RSC) Section “Cardiac Rehabilitation and Secondary Prevention”, member of the Working Group on Cardiac Rehabilitation and Exercise Physiology of the European Society of Cardiology (Moscow).

Leonid Barbarash - Honored Doctor of the Russian Federation, PhD, Professor, Academician of the Russian Academy of Sciences, Principle Researcher at the Federal State Budgetary Institution “Research Institute for Complex Issues of Cardiovascular Diseases” (Kemerovo).

The opening of the International Congress will be held on **Thursday 6, October at 10 a.m.** in the conference hall (building #18, 2nd floor) at the Federal State Budgetary Institution “Research Institute for Complex Issues of Cardiovascular Diseases” (6, Sosnovy boulevard, Kemerovo). Plenary session and breakout sessions will be held in the Academic Council Meeting Room, lecture hall (hospital building, 12th floor) at the Federal State Budgetary Institution “Research Institute for Complex Issues of Cardiovascular Diseases” (6, Sosnovy boulevard, Kemerovo).

October 7, 2022 - Satellite symposia will be held in the lecture hall. The session entitled “the role of nursing staff in cardiac rehabilitation” will be held in the Academic Council Meeting Room. The International Congress closing will take place in the conference hall.

The event will be held in hybrid form, both onsite and virtual.

Documentation for the International Congress “Interdisciplinary Aspects of Cardiac Rehabilitation” will be submitted to the Accreditation Committee for Continuing Medical Education (CME).

All submitted abstracts will be published in the peer-reviewed scientific journal (included in Scopus) “**COMPLEX ISSUES OF CARDIOVASCULAR DISEASES**”.
